| 16:00 - 17:00                 |                                                                                                                                          |                                                                                                            |                                                                                                                                          | <b>Manufacturing Technology &amp; CAIRDE</b><br>ME2105<br><b>ENG-G018</b><br>Dr Noel Harrison                                            |                                                                                                                   |

**Tutorial** students attend 1 tutorial per week per module  
**PC Lab** only attend the labs according to your assigned group, to be confirmed by Lecturer  
**Physical Lab** labs may not run every week - lecturer will confirm  
**CÉIM** CÉIM leaders only
