The University is located about 40 minutes outside of Philadelphia in the Northeast region of the U.S. The campus community offers a warm and welcoming atmosphere, and visiting students can join many sports teams, student clubs and participate in community service organizations during the semester.

Academics

Visiting students enroll in 4-5 classes each semester and can choose from a wide variety of subjects (pending pre-requisites and space limitations). Accepted students will work with a Villanova University adviser to plan their class enrollment prior to arrival. Most classes are small in size (no more than 35 students) and students will get to know their professors and fellow classmates.
