

Transfer of Marsh Voluntary Group Business to Cornmarket Group Financial Services Ltd.

In late January 2013, following discussions with Marsh Employee Benefits Ltd, Cornmarket took over the administration of the Income Continuance Plan for NUIG employees. Marsh had made a strategic decision to leave the Voluntary Group Schemes market, so more focus could be given to their other business divisions.

Celebrating over 40 years in business, Cornmarket employs 275 staff in the Republic of Ireland. As newly appointed administrators, Cornmarket are committed to providing a first class service to their new customers and will continue their high level of service in the years ahead.

1. Any services that you were availing of through Marsh will now be looked after by the Cornmarket team which is made up of:

- Representatives throughout the country and,
- A large Customer Service Team to deal with your queries and,
- An in-house specialist Claims Handling Team.

2. There will be no changes to existing policies or charges on transfer of any policy to Cornmarket.

- Over time, Cornmarket hope to be in a position to develop new and enhanced benefits for their new customers.
